**Newsletter - Special "Concours" Edition**

**2012 Concours d' Elegance**

As the saying goes, "nothing beats experience". This time around, top honours went to two well seasoned CARC members namely Bob Corbett winning the full concours with the "grande old lady" 1969 Duetto Spider and car of the day went to Jannie Gildenhuys with a very special 1957 Conrero Giulietta. Not taking anything away from any of the other well worthy class winners, a fine mix of both experienced and fairly new entrants. Well done guys, your special effort made the day well worth for us all.

We were also blessed with perfect early summer weather and a stunning venue, complimented by a great turnout of members and visitors displaying their Alfa Romeos, some of which not often seen real eye catchers. Interesting to note is that less "often seen" classic cars were present than in recent years but the numbers were made up by more moderns and stunning current models.

Thanks must go out to Gary Green Auto for a great assistance to have made the day such a success, to Wesley Squier as the event organiser, to Darryl Carver as chief judge, the team of judges and all other helping hands.
