**Newsletter – February 2013**

### ***Sundowner at Killarney***

“The traditional Sundowner was held at our CARC facility at Killarney on Friday 25 January 2013. A record number of members attended our first function and if we keep this up it’s going to be another great Alfa Romeo year. *(A positive spinoff was that Warren our Treasurer could roundup quite a number of members for their subs.)*”

The facility was immaculately prepared by Eddie Visser and team, who also provided excellent live music with his band. Luckily the stand shielded much of the wind and the members, families and friends braaied en partied till late.

There was an open track day at Killarney yesterday. Anyone can enjoy their car at full speed in small groups in a safe environment at a nominal fee. A 100 hp Fiat Panda was for example amongst the cars. Look out for these events if you are interested in putting your racing thoroughbred through its paces.

Our first regional race event at Killarney is on 16 February. We are still looking for standard road-going Alfa Romeos to join the Alfa Trofeo Series. If you are not interested to race come and have a nice braai, while watching Alfa Romeos partaking in the different race categories. The V8 Mustangs will also be out in full force. A Chartered Accountant was recently appointed as Executive Manager for WPMC and bodes well for the future development of our proud local WP racing facility, with its colourful history.”
