**Newsletter – November 2012**

**Visit to Sandown Tygervalley**

The CARC had its November monthly technical meeting at the newly established Sandown motor dealership in High street, Bellville. This very stylish organisation deals in the Chrysler, Alfa Romeo and Fiat brands and has a well-equipped workshop and professional staff to care for your “baby”.

The meeting was well attended and the members were welcomed by Mark Hancox, head of the dealership. Lovely snacks and drinks were provided to make the members feel even more welcome. The table was set, so to speak, for the guest speaker of the evening, Serge Damseaux. This well-respected multiple rally and motor racing champion answered a lot of questions by the members in his humble way. He started his campaign in Fiats and Alfa Romeos and brought scrap books with newspaper articles and photographs along to support his story telling. It was notable that the older members clearly remembered all his race cars and memorable racing incidents. Pietie Smith, a CARC member who competed with Serge in Alfas in those days, is actually in many of Serge’s racing photographs.

The evening was very much enjoyed by all. Thanks to Mark for his hospitality, Serge and Pietie for their willingness to come and share their stories and Norman for his organisational skills to make the evening happen. Please support the Sandown dealership.
