“Junior” Rally

After experiencing a week of fairly inclement weather, we were blessed with a lovely sunshine winters day, perfect for an approx one hour round trip drive and to end up with a braai at Killarney.

Seemingly, as the CARC events gets published in the local media lately, Wesley received a significant number of phone calls from the public, i.e. Alfa owners, and a few actually turned up and took part.

The prescribed route proved to be enjoyable by those whom took part and the participants arrived “home” almost in exact order as they left with the well prepared route indications.

Many thanks to Wesley whilst Sarel and Norman manned the check points.

Ladies Evening

As part of ladies month, the CARC celebrated a ladies evening, and just to say thank you to all the ladies for borrowing your other half to the club from time to time for an evening or day or so.

Whilst Heidi did a presentation on some of her self created and manufactured garden ornaments, Karin presented all ladies present with a small gift as a token of appreciation.

Also present on the evening was the two longest standing CARC members namely Freddie and Gita Farella, celebrating their 47th wedding anniversary, a great round of applause to them and we wish them many more good ones to come.

Last but not least, Darryl, as long standing Concours Chief judge, gave an informative talk on Concours preparation and judging.

Many thanks to all that attended and took part in the organisation of a very pleasant evening.
